**News from
ECHO BLUFF RANCH**

We could sure use some rain! Many of my flowers have dried up, despite watering. It is hard to believe it is the middle of August already!

Steve has been working hard to get caught up on the chores

around the farm, as things had gotten behind during the building of my mom's addition. He worked so hard on it. Thank you to all who have and continue to help us. You

know who you are! Not sure what her beautiful addition will be used for, but for now it is a memorial to her and my dad. I cannot imagine it being used for anything else. We do not even use it, as I want it preserved for her/his memory. There is so much in this house that is part of them. They both spent months here working before and after I first moved in. I was Blessed to have them as my parents, and I know I need to

continue to live my life to honor both of them and our Lord.

We LOVE our life on this little farm in **Buffalo, Iowa**

BUFFALO TRIVIA QUESTION OF THE MONTH:

What ailment kept the physicians busy in February of 1905?

ANSWER TO LAST MONTH'S TRIVIA:

Feb 9, 1905- Rev. Williams met with what might have proved a serious accident on Friday. While en route from Davenport to Buffalo to attend prayer meeting some one driving at a furious gait ran into his buggy tearing off one of the wheels. He was fortunate in receiving no personal injury, but the damage done to his rig was considerable, and he suffered the disappointment of being unable to reach his appointments in time.

This weekend, 20-22 August, our unit will participate in Galesburg Heritage Days, one of the Midwest's largest and most unique public free admission living history events to be held at historic Lake Storey Park in Galesburg Illinois. Featuring both a Pre-1840 Early American Colonial/Frontier Rendezvous, and a thoroughly fielded Civil War Battle Encampment/ Reenactment, The 26th Galesburg Heritage Days is held at two separate but close venues at Lake Storey Park, all on the same weekend. Come share in the excitement with almost 1,000 Visual Story Tellers, Reenactors, Living Historians and almost 50 merchants and sutlers. SENIOR MOMENTS

I just checked and barn animals ok.
Auto correct is enjoying changing words so will make this short. It is beautiful outside and the old White stallion, Rev, is enjoying being in lots of grass and the big tent.

My friend took me to fairgrounds to see the Mississippi Valley Fair. I tool Casper up to Driving Show at fairgrounds and Kasper received 2 firsts and 2 seconds. I love Driving carts and running poles, cones, and barrels. Casper is my lawn MOWER.

I WILL BE 80 YEARS OLD NEXT month.

Trying to slow down but WEEDS need pulled and I am sizing harnesses for my triple registered chestnut filly, Precious. She will be 3 years soon.

My son, Randy is baby-sitting his grand children in Burlington, Iowa . He sure is liking that. I am going to change the house and get ready for winter. Training the 2 fillies will be my Fall and winter project.

Think I better sign off and you can quit laughing.

"WHEN WORDS ARE BOTH TRUE AND KIND, THEY CAN CHANGE THE WORLD"

Fun August Facts

August brings the best bounty of the season—ripened tomatoes, ripe melon, sweet corn on the cob, and zucchini are just a few favorites.

Canning season is here, too.

Summer declines and roses have grown rare,
But cottage crofts are gay with hollyhocks,
And in old garden walks you breathe an air
Fragrant of pinks and August-smelling stocks.

—John Todhunter (1839-1916)

THE MONTH OF AUGUST

August was named to honor the first Roman emperor (and grandnephew of Julius Caesar), Augustus Caesar (63 B.C.—A.D. 14).

Find out the origin of each month's name.

AUGUST CALENDAR

"After Lammas Day, corn ripens as much by night as by day."

August 1, traditionally known as Lammas Day, was a festival to mark the annual wheat and corn harvest.

Lammas also marked the mid-point between the summer solstice and autumn equinox, and was a cross-quarter day.

See more about Lammas Day.

August 5 is a Civic Holiday in parts of Canada.

August 9 starts the Islamic New Year, or the First of Muharram, beginning at sundown. Traditionally, it begins at the first sighting of the lunar crescent after the new Moon.

August 10 is St. Lawrence's Day. "Fair weather on St. Lawrence's Day presages a fair autumn."

August 11 marks the end of the Dog Days of Summer, which began on July 3.

August 17 is when the Cat Nights begin, harking back to a rather obscure Irish legend concerning witches; this bit of folklore also led to the idea that a cat has nine lives.

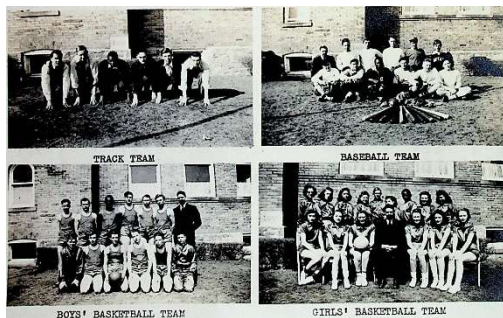

August 19 brings National Aviation Day, chosen for the birthday of Orville Wright who piloted the first recorded flight of a powered heavier-than-air machine in 1903.

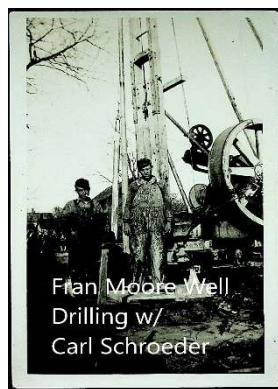

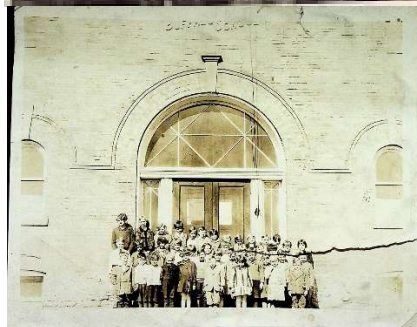

August 24 is St. Bartholomew Day. "At St. Bartholomew, there comes cold dew."

August 26 is Women's Equality Day, which celebrates the 1920 ratification of the Nineteenth Amendment and, with it, women's right to vote in the United States.
