## SENIOR MOMENTS

I am determined to keep up my plan to train this little mini-horse I have here to drive. Randy has been helping me out with mowing, getting groceries, etc. My friends like Kaye, Katie, Cindy, Chris, and Kim also help.

I had a great time at the Mississippi Valley Fair this year. I love viewing all the exhibits. I took several photos of the winners. Next year I hope I have time to enter exhibits again like I have done in the past. I enjoyed watching my old friend Karen Wales show her mini-horses. She is the best around.9

## Buffalo History 101

Buffalo, Iowa, Friday, March 31, 1910  
 Mrs. M. Hoffbauer entertained the Ladies'  
 Aid society at her home Thursday afternoon.  
 About 24 ladies were present, including  
 several visitors. Routine business was  
 transacted and final plans were made for the  
 free public library which will be installed  
 back of the Crawford drug store. After the  
 sewing was laid aside a time was  
 spent socially. Dainty refreshments were  
 served. Next meeting will be with Mrs. J.F.  
 Hiersemann, when election of officers will  
 be held.

L.E. Kautz of Davenport spent Thursday  
 here visiting his parents, Mr. and Mrs. W.F.  
 Kautz.

**News from ECHO BLUFF RANCH**  
Buffalo, Iowa

It's been a busy month! Family weddings, family and friends' funerals, family members having babies, minor surgery, death of pets, etc....On top of that, Steve had a very scary farm accident where his finger was smashed and still hurts while he tries to do things that need done. We continue to have "equipment" issues and other mishaps. We got the tractor back from being repaired, worked great while Steve was mowing the pastures, then it got too hot (Chinese coil) and quit working again, hydraulics would not work. It currently drips hydraulic fluid, so hopefully just keeping that filled will help with the hydraulics. It is frustrating, but it will all work out. Then my vehicle just went dark and died on highway 22, as I was bringing Dana home from picking up prescriptions in Davenport. It would not go into neutral, nor would key come out of ignition.... Completely locked up. Had it towed and still waiting to find out what the issue is. Thank you to Paul and Kim Hulevitch (and my husband Steve) who stopped everything they were doing to come help!! Then Sunday morning came out to my fishpond and the pump plug-in was melted in the receptacle!! Thank you to Current electric for coming quickly to fix it. I recommend them. Then, today while trying to set up my office to better work from home and do the Buffalo Shores Gazette with two monitors, my docking station quit working.....needing replacement. As I say to our dear friend Jim Rogers, "it's only more time and more money!" You can't take it with you! But I know we are Blessed!

We LOVE our life on this little farm in Buffalo, Iowa

**I can't believe how old people my age are!**

The History of Labor Day  
Before it was a federal holiday, Labor Day was recognized by labor activists and individual states. After municipal ordinances were passed in 1885 and 1886, a movement developed to secure state legislation. New York was the first state to introduce a bill, but Oregon was the first to pass a law recognizing Labor Day, on February 21, 1887. During 1887, four more states – Colorado, Massachusetts, New Jersey and New York – passed laws creating a Labor Day holiday. By the end of the decade Connecticut, Nebraska and Pennsylvania had followed suit. By 1894, 23 more states had adopted the holiday, and on June 28, 1894, Congress passed an act making the first Monday in September of each year a legal holiday.

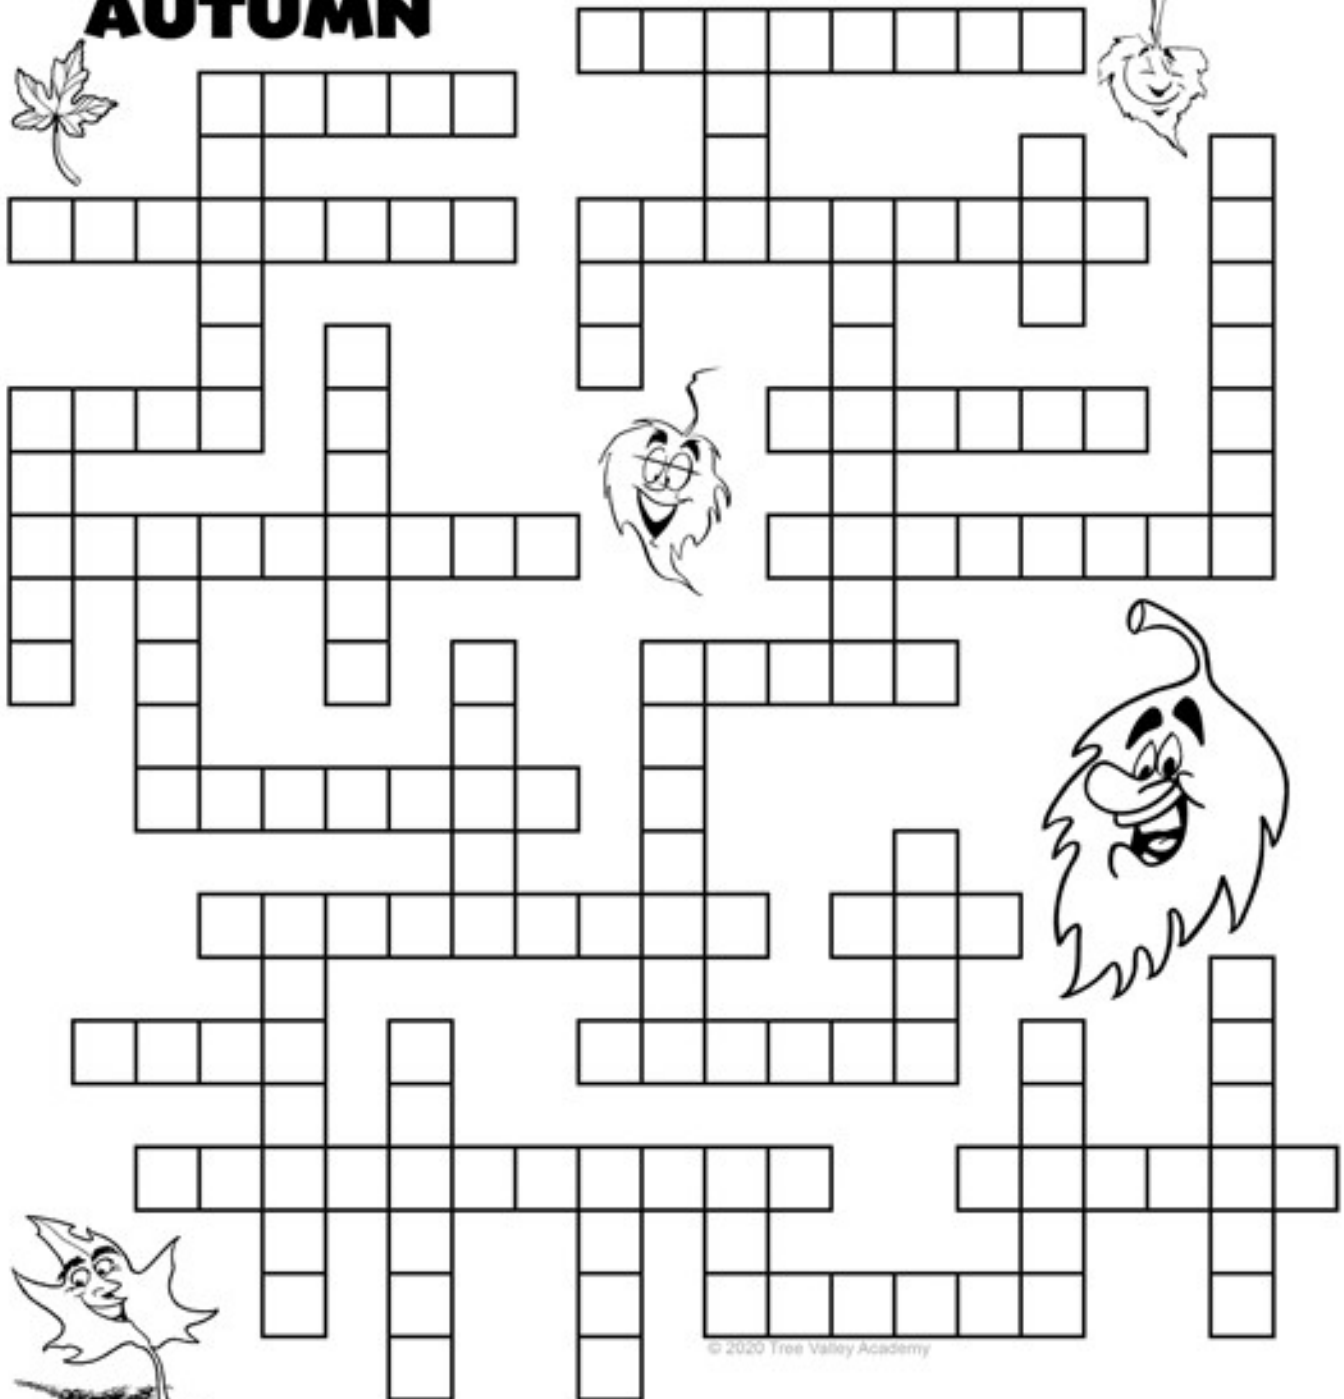

American labor has raised the nation's standard of living and contributed to the greatest production the world has ever known and the labor movement has brought us closer to the realization of our traditional ideals of economic and political democracy. It is appropriate, therefore, that the nation pays tribute on Labor Day to the creator of so much of the nation's strength, freedom, and leadership – the American worker.

Next Park Board Meeting is August 17, 2022 at 6:00 pm  
City Hall will be closed on September 5, 2022 in observance of Labor Day.

The City would like to thank everyone who came out to the circus. What a great turn out! We hope everyone enjoyed themselves.

There have been a lot of people posting on the community page about scrapping appliances. Please remember, if you put an appliance out on the curb or alley, ALWAYS make sure it is safe for kids and animals. Remove doors or duct tape them very well! Also know that the City does not pick up appliances. So if a scrapper does not pick it up, it is your responsibility to dispose of it. City Hall gets a lot of calls for the Police Station. We do not take messages for them. If you need to speak to someone, you may call their station at 563-381-4733 or call the non-emergency number at 563-388-3904. And of course, if it's an emergency, do not call us, call 911!
