## Buffalo Historical Society

Our Historical Society is mourning the loss of our beloved Danny. She was a vital member of our operations here at the museum. She was the treasurer, and volunteered endless hours manning the museum and helping with all projects. She made snacks for all of our meetings, provided comic relief, and was the kindest person. We all LOVE and miss her.

**Deanna Lee "Danny" Jarvie**

**June 5, 1941 — February 8, 2023**

**Buffalo, Iowa**

Deanna Lee "Danny" (Kauffman) Jarvie, age 81, of Buffalo, formerly of Adin, CA, passed away on February 8, 2023 at Genesis Medical Center, East Rusholme. Funeral services will be held on Friday, February 17, 2023 at 10:00 am, at St. Alphonsus Catholic Church, 2618 Boies Avenue, Davenport. Visitation will be held prior to the service from 8:00 am to 9:30 am at the Halligan-McCabe-DeVries Funeral Home, downtown Davenport. Burial will be in Rose Hill Cemetery Buffalo. A luncheon and time of fellowship will be held at the Buffalo Community Center immediately following the committal service. Memorials may be made to the Buffalo Historical Society, or charity of your choice. Danny was born on June 5, 1941 in Davenport, the third daughter of Everette and Eleanor Kauffman of Buffalo. She attended the Buffalo schools until her senior year, and graduated from Bettendorf High School in 1959. While Danny was living in Davenport, she met and began dating Thearn Jarvie who was attending Palmer College of Chiropractic. On February 4, 1961 they were married in Calvary Lutheran Church in Buffalo. When Thearn graduated from Palmer College, the couple moved to Sacramento, CA, where they set up a Chiropractic practice and Deanna worked as his assistant. From 1961 to 1970 they welcomed four children. In 1988, when the kids were raised, Thearn and Deanna went into semi-retirement and moved to Adin, CA, where they began raising bison. Deanna lived on the ranch until 2011 when Thearn passed away. Even though Deanna had lived in California for over 50 years, she missed her Iowa home and especially her two sisters with whom she was very

close. In 2017, she moved back to her hometown of Buffalo permanently and was blessed to be able to reconnect with her high school sweetheart, John Guizar.

Deanna loved playing cards with family, cross stitching, doing handicrafts and visiting the casino with friends and family. She was a member of the Buffalo Historical Society. She was very talented, funny, warm, loving and compassionate. If you met her...you loved her.

Danny is survived by her fiancée, John Guizar; her children, Jackie Jarvie, Leah (Mike) Sandberg, John (Amie) Jarvie, Noah (Jenny) Jarvie; John's sons, Tim Guizar and Kevin Guizar; 14 grandchildren; 3 great-grandchildren; sisters, Karen Benjamin, and Kaye LeBeau; as well as many nieces and nephews. She was preceded in death by her parents, and husband.

## Buffalo History

### 101

Ellen Dodge was the first child of Leroy Dodge. Leroy arrived in Buffalo in 1836 making his fortune as the owner

and captain of a steamboat in the Mississippi. He obtained a large tract of land in Buffalo. Ellen eventually inherited this farm, of which sat a magnificent "cabin". She married Edward Cook in 1866, having George Cram Cook in 1873. While the whole family had love for literature, it was George who launched the Provincetown Players in 1915, creating a revolution in American theater.

A wonderful book has been written by author Jeffery Kennedy, associate professor of interdisciplinary arts and performance at Arizona State University. Mr. Kennedy visited our museum a few years back, as he researched for his book. The book speaks of Buffalo and the "Cook cabin" and its role in literature and playwright. From what I have read thus far, I recommend it.

**SENIOR MOMENTS**

I found my phone and lost it a couple more times since last month!! I have learned it is usually in the pocket of the last coat I had on.

We've got more baby goats and more on the way! I am looking forward to some nicer weather so that I can get out and enjoy my horses, riding and driving as much as possible. Thank you to Randy, Kim, and Cheryl for helping out with the feeding and watering. It has really helped me out this winter, as some days, I just cannot make it down the hill to the barn.

## News from ECHO BLUFF RANCH

Buffalo, Iowa

We are looking forward to warmer weather and encouraged by the receipt of seed catalogs coming in the mail! Soon after the grass turns green, the dandelions will pop up! Here are some interesting facts about dandelions:

Every part of the dandelion is useful: root, leaves, flower. It can be used for food, medicine and dye for coloring.

Up until the 1800s people would pull grass out of their lawns to make room for dandelions and other useful "weeds" like chickweed, malva, and chamomile.

Dandelion seeds are often transported away by a gust of wind and they travel like tiny parachutes. Seeds are often carried as many as 5 miles from their origin!

Animals such as birds, insects and butterflies consume nectar or seed of dandelion. 🐦 🐛

Dandelion flowers do not need to be pollinated to form seed.

Dandelion can be used in the production of wine and root beer. Root of dandelion can be used as a substitute for coffee. 🍷 🍺

Dandelion is used in folk medicine to treat infections and liver disorders. Tea made of dandelion act as diuretic.

If you mow dandelions, they'll grow shorter stalks to spite you.

Dandelions are, quite possibly, the most successful plants that exist, masters of survival worldwide. 🍷

A not so fun fact: Every year countries spend millions on lawn pesticides to have uniform lawns of non-native grasses, and we use 30% of the country's water supply to keep them green. We've been brainwashed to despise dandelions, but you can enjoy them in your yard and have a more relaxing summer!

We LOVE our life on this little farm in Buffalo, Iowa

**BUFFALO TRIVIA QUESTION OF THE MONTH:**

What was Andrew Campbell known for?

**ANSWER TO LAST MONTH'S QUESTION:**

Leroy Dodge emigrated to Iowa in 1836, from the State of New York. He was for many years, a pilot on the Mississippi, and then commander of steamboats. Having secured some 400 acres of land along the river and bluff above Buffalo, he built a pleasant cottage on the banks of the river and turned his attention to agriculture, principally to stock-raising, a business in which he was quite successful. In 1852 he represented Scott County in the Legislature. He was an unflinching Democrat.
