BVFD Notes

We spent 41 man hours responding to 34
Emergency calls in February,

We responded to:

- 26 - EMS Calls
- 1 - Structure Fires
- 0 - Vehicle Fires
- 1 - Grass Fires
- 2 - Vehicle Accidents
- 0 - Boat Rescues
- 4 - Misc. Calls

58 - Total Emergency Responses for 2023

Training: 6 members spent 24 man hours doing
regular crew duties.

15 members spent 2 hours going
over Medics Ambulance.

Our 50th Annual Fireman's Dance was a great
success! Thank you

to all that showed up. We would like to Thank
all the businesses that

donated and a special Thank You to Double
"H" Entertainment for the

great music, Sweet Delite for the great food
and the Buffalo Community

Center for their awesome bartending! It was a
great night had by all!

Respectfully submitted by:

EASTER APRIL 9TH

Sgt's Corner

Hopefully the snow and cold weather is behind us and we can look forward to spring and the temperature going up. On April 1st the parks hours change to sunrise to dark. We also hope that everyone has a wonderful Easter. Also, with the warm weather comes the use of golf carts. Just a reminder you have a year from the day you register your golf cart before you have to register it again. As always Don't drink and drive especially on a golf cart. Stay safe everyone.

Buffalo History 101

September 15, 1900-Buffalo of Today

Buffalo has many natural facilities. She has coal in abundance. West of the village and north of the C R I & P southwestern tracks is Coaltown, a mining hamlet practically owned and operated by Messrs. T.W. McClelland, F.H. Griggs and other gentlemen of Davenport. North of Buffalo near the Blue Grass road is Jamestown, commonly known as "Jim Town," where the James coal measures are located. The carboniferous product is in abundance, and of good quality. The veins are from 33 to 36 inches in depth. Clay for pottery, brick and tile is also to be found, as also is an excellent quality of stone. The Brick & Tile works gives employment to a goodly portion of the inhabitants which we believe the present census will fix at between 800 and 900 souls. Buffalo's brick works are located northwest of the C R I & P depot, which lies on the extreme eastern end of the city. A new school house costing \$4,500 and erected of Buffalo brick has just been completed. There are two pearl button factories in the village, a turner hall, two churches,- St. Peter's, a Catholic brick edifice, and a farm Methodist church, while two general stores, Dorman Bros. and Hugo Hoffbauer, the latter the postmaster, take care of the needs of its citizens. D.C.L. Barewald, drug store. A butcher shop and several saloons and barber and blacksmith shops and a soda water factory situated on the site of the Hoffbauer brewery complete the list of Buffalo's industries. Buffalo is situated eight miles from branch of the C.R.I. & P road.

MOTHER'S COOKBOOK SEVEN LAYER DINNER

- 2 potatoes sliced 2 carrots sliced thin
1 onion diced 1 small can peas or green beans
1 no. 2 can tomatoes 1 lb. ground beef

Arrange in layer in buttered casserole
Start with potatoes and top with ground beef
and tomatoes.

Bake 350 degrees for 1/2 hour

Anna Thiessen

Many of the vintage recipes are from an old Buffalo women's' cookbook, dated June 1921, which was passed to me from my late grandmother, Virginia Carson. See Jan/Feb 2013 edition for more info) Others were submitted several years ago for a Church cook book.

SENIOR MOMENTS

Spring is coming and I am looking forward to downsizing and really

concentrating on just a couple project horses this year. I have a nice mini I need to be teaching how to drive. The more horses I have, the less time each one gets and focus becomes a problem. I now have a sign-in sheet at the barn so that everyone who comes and feeds, waters, trims, etc is to initial and write it down on the sheet, so that we have a record and people are not duplicating efforts, wasting hay and risking founder. More baby goats are on the way, with on momma as big as I have ever seen!

Call me if you would like to visit me or my animals. 563-349-8068

 April 30, 2023*

9:00 AM - 4:00 PM

Depot Park
 91 Bouthillier Street
 Galena, IL 61036

Experience life in the 1860s through a Living History Encampment and Civil War Battle. Enjoy the Sanitary Fair (a Civil War Ladies Bazaar supporting our troops) with beautiful handmade items for sale. This is a family friendly event with the chance to interact with reenactors portraying both military and civilians in the 1860's during the war. Meet General Grant and his staff, see a medical demonstration, and have your child "drill" with the troops! Watch history come alive in Galena Country.

I hope some of you can come watch!

EASTER

The resurrection of Jesus, as described in the New Testament of the Bible, is essentially the foundation upon which the Christian religion is built. Hence, Easter is a very significant date on the calendar.

According to the New Testament, Jesus was arrested by the Roman authorities, essentially because he claimed to be the "Son of God," with some saying that the Romans may have viewed him as a threat to the empire.

He was sentenced to death by Pontius Pilate, the Roman prefect in the province of Judea from 26 to 36 A.D. Jesus' death by crucifixion, marked by the Christian holiday Good Friday (the Friday before Easter), and subsequent resurrection three days later is said, to prove that he was the living son of God.

In varying ways, all four of the gospels in the New Testament (Matthew, Mark, Luke, and John) state that those who believe in Jesus' death and resurrection are given "the gift of eternal life," meaning that those of faith will be welcomed into the "Kingdom of Heaven" upon their earthly death.

**News from
ECHO BLUFF RANCH**

Buffalo, Iowa

Spring is coming and so is the dreaded MUD!! It is not good for animals to stand in mud for prolonged periods. If water can't flow out of an area, that is where you will find mud. To aid in reducing mud: Install gravel beds, which works well outside livestock shelters. Implement "French Drains" to divert water to

lower levels. Mulch with highly absorbent materials such as wood chips. Hardscape extreme problem areas and implement plumbed drainage solutions.

Clay and silt are the two kinds of soil most likely to promote poor drainage. Altering your soil structure by making soils sandy or loamy, can minimize the risk of soil becoming muddy. Adding several inches of compost annually or incorporating sand into heavy clay soils can improve the structure. All of this is work, but will be well worth it. On a farm, some mud is just unavoidable. There is no point in trying to keep the floors clean when the dogs and husbands go in and out, so just learn to lower your standards until it is over 😊

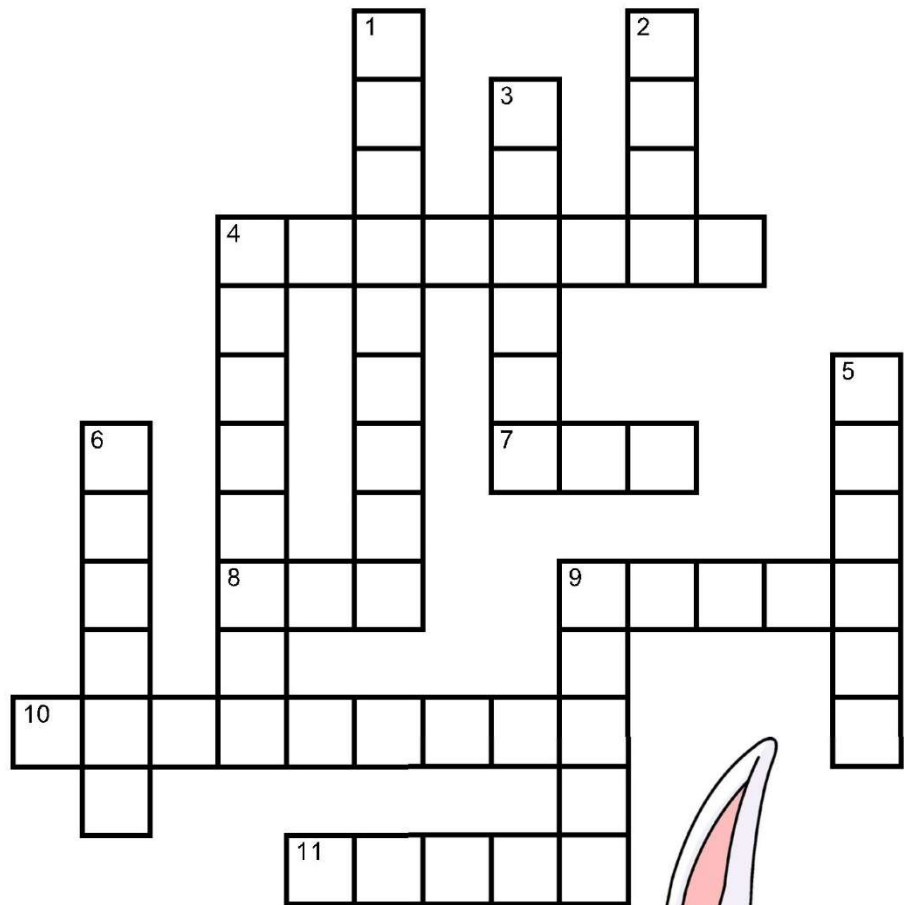

We LOVE our life on this little farm in Buffalo, Iowa

Stevz and Chris Thornton

BUFFALO TRIVIA QUESTION OF THE MONTH:

What was Erastus Bassett known for?

ANSWER TO LAST MONTH'S QUESTION:

Andrew W. Campbell was among the most enterprising of the early settlers, having opened a large farm on the bottom land of the river. He sold it to Henry C. Morehead, at an early day, and removed to the prairie, near where the town of Blue Grass now is, where he opened another large farm. He was elected, in February, 1838, one of the county commissioners, it being the first election ever held for officers under the county organization. He also filled other places of responsibility and trust.
