## Buffalo History 101

The Buffalo Catholic church was consecrated June 21, 1868, with festivities attended by steamboat excursion groups from Davenport and Muscatine. Music was provided by Hasser's Union Band and the Wilton Comet Band.

The Church of Christ held ground-breaking ceremonies in June, 1869, and the Episcopal church was organized in 1875. The Society of Friends dedicated its church in 1918.

## Sgt's Corner

It's starting to get nice out and the days are getting longer. Reminder that all parks in the city close at dark. Reminder as well to get your golf cart registered as well, so you can enjoy this nice weather. Residents with chickens currently and want to get chickens, you have to apply every year and get your stuff inspected as well. Hope everyone has a wonderful Memorial Day weekend at the end of the month. Drive safe and always get a sober driver. Stay Safe.

## Buffalo Library News

Its baseball and softball season-  
-AND also time to think about joining the Summer Reading Program at the Scott County Library.

Making it easy for our library patrons and prospective patrons, the Bookmobile will be in the parking lot on June 1st at 4:00 pm-4:45pm to help sign you up, and enter your name into a drawing for a private bookmobile party this summer. The SRP is for all ages. Sign up--read some good books, and possibly win prizes

On June 6th, at 2:00 pm, the Wapsi River Education Center will be at the Buffalo library with another learning experience. The young ones always enjoy meeting various animals and are very receptive to the program's teaching about animals. Please consider joining us for this program.

Stop in and pick up a calendar for the month. It will show activities at all Scott County Library branches. We also have passes for Niabi Zoo, Figge Art, Botanical Center and the Putnam Museum. Plan some fun for the summer!

## Buckaroo News

We've been busy working around the farm trying to get ready for hay season. Our tractor hydraulics continue to not want to

cooperate, despite having been "fixed" by John Deere twice now in the last 6 months. We don't even want to add up the cost.

On a brighter note, Ricky Bob and I will again have the honor of participating in the Memorial Day ceremony at the Rose Hill cemetery here in Buffalo. Ricky Bob will honor those who have fallen by being the caparisoned horse and I will join my Civil War re-enacting unit in performing honor guard.

A riderless horse, also called a caparisoned horse, in a procession, is reserved for funerals of the highest ranking military or other extraordinary individuals, and is a powerful sight to behold. The riding boots of the deceased, placed backwards in the stirrups, represent a fallen leader looking back on his troops for the last time. The first to be officially honored with the riderless horse at his funeral procession was Abraham Lincoln.

I have been busy  
 planting annual

 seems that it  
 is an ongoing

 search around for pots, then I  
 need to go buy more flowers, and  
 so it goes. IN case there was any

Next Council Meeting June 12, 2023

The City would like to thank all the volunteers for all their hard work sandbagging, delivering sandbags and helping to build walls. We would also like to thank the people who brought over snacks, lunch, and water while we were sandbagging. Very much appreciated. A big shout out to the Red Cross for all the water, lunches, and dinners they provided and also the cleaning supplies. We couldn't have gotten through it without all of you!

Now that the flooding is under control, it's time for spring cleaning! Please remember, grass cannot be over 10 inches tall and if it gets that tall, the city will mow it and charge you for it. There will be no warning letter. Let's clean up those yards and make our town look nice!

Ragbrai is coming through our town July 29, 2023. Check our facebook page and watch for dates for meetings. We are looking for volunteers and vendors. Any questions, you can call Sandra at 515-205-6314.

**BUFFALO TRIVIA QUESTION OF THE MONTH:**

In 1850, what did the then postmaster do?

**ANSWER TO LAST MONTH'S QUESTION:**

In the late 1840's, a site for a Mormon town was chosen in westside of Buffalo, and a number of Mormons came to the area. Captain Clark was quite willing to sell, but was not favorably impressed with the terms offered, which involved but little money and a great deal of promised spiritual reward. The greater number of Mormons left before 1850."
