Buffalo History 101

Buffalo has many natural facilities. She has coal in abundance. North of Buffalo near the Blue Grass road is Jamestown, commonly known as "Jim Town," where the James coal measures are located. The carboniferous product is in abundance, and of good quality. The veins are from 33 to 36 inches in depth. Clay for pottery, brick and tile is also to be found, as also is an excellent quality of stone. The Brick & Tile works gives employment to a goodly portion of the inhabitants which we believe the present census will fix at between 800 and 900 souls. Buffalo's brick works are located northwest of the C R I & P depot, which lies on the extreme eastern end of the city. A new school house costing \$4,500 and erected of Buffalo brick has just been completed. There are two pearl button factories in the village, a turner hall, two churches, - St. Peter's, a Catholic brick edifice, and a farm Methodist church, while two general stores, Dorman Bros. and Hugo Hoffbauer, the latter the postmaster, take care of the needs of its citizens. D.C.L. Barewald, drug store. A butcher shop and several saloons and barber and blacksmith shops and a soda water factory situated on the site of the Hoffbauer brewery complete the list of Buffalo's industries. Buffalo is situated eight miles from branch of the C.R.I. & P. road.

News from ECHO BLUFF RANCH Buffalo, Iowa

As you all know, I love my flowers. One of my favorites are Hollyhocks.

🌸 According to folklore, hollyhocks were once

called "outhouse flowers". These tall flowers were grown around outhouses to hide the privy. The practice was so common that the sight of hollyhocks told guests where the outhouse was located.

In fact, there are some seed varieties of the flower that are named Outhouse Hollyhock. We LOVE our life on this little farm in **Buffalo, Iowa**

BUFFALO TRIVIA QUESTION OF THE MONTH:

Who was the first citizen of Buffalo to live past the century mark?

ANSWER TO LAST MONTH'S QUESTION:

In 1866, the crossroad school house, which had been built

only six years earlier, started to tremble and sway. The school had been built over an abandoned coal mine, and when the support pillars were removed, the mine caved in.

Clerk's Corner:

Next council meeting August 14, 2023

The City would like to thank Brandy Harland, Renee Peek and their family and friends for putting together a great Buffalo Days this year. Shout out to our Volunteer Fire Department for another dazzling fireworks display!

The City is gearing up for Ragbrai to pass through our town. We are putting together booths and fun things for the riders to do and see. We will be needing runners and sign makers too!. Anyone wanting to help out, please Contact Sandra at 515-205-6314.

Ragbrai t-shirts are available for pre-order at this time. Order forms can be picked up at the post office and city hall. Payment is due when the order form is turned in.

We know we have been having some off and on weather lately but we still need to keep those yards mowed. Anyone having their grass over 10 inches will be automatically mowed by the city and charged a hefty fee.

For upcoming meetings, you can find them as they are posted to our website, www.buffaloia.org. Agendas, minutes and information is always being posted there.
