Buffalo Business Spotlight:

Kawi Coffee

Anyone who knows Holli (Carson) Thornton knows she loves her family, her country, and yummy coffee drinks. Fortunately for Buffalo Holli's mom **Bobi**, and the rest of her family, also share these loves, as well as a passion for hard work, determination, and a lot of ingenuity. Holli, **Bobi**, and an entire crew of family have put in countless hours creating a business out of what she loves, renovating an old potato chip delivery truck into a Health Department certified mobile coffee shop and taking her passion on the road... even while working full-time, taking night classes online and still taking care of her **family!**

developed her product offerings extensively, basing all her coffee drinks off a cold slow brew technique

that gives a smoother coffee flavor with lower acid, and offering a wide variety of energy drinks and caffeinated non-coffee drinks with various fruit flavor combinations.

The name Kawi was originally a suggestion from **Bobi** as a reflection of their family's native American heritage. "Kawi" is the word for coffee in Cherokee. It has also inspired many of her specialty drinks (including "War Paint", "Arrowhead", "Indian Outlaw", and "By the Fire").

Holli and **Bobi** are looking forward to filling their calendar with all types of events where they can share their love of delicious beverages. The Kawi truck will be at a variety of craft fairs and the Buffalo Pumpkin Patch this fall, but they are especially looking

forward to booking private events like baby showers, bridal showers and wedding receptions to add to the fun. With **their** determination and **their** team behind **them**, the possibilities for deliciousness are endless!

Blood Drives in Buffalo

The history of the Buffalo Community Blood drives dates back to 1976 when Ruby McCullough was the original coordinator and probably held them first in the old ambulance barn, then Calvary Lutheran Church and eventually to the Buffalo Community Center. A list of those people who stepped forward to continue the drives after Ruby includes Denny Aubrey, Dorothy Adams, Chris Swanson, Leota Buffington, Betty Mangels, Mary Moore, Doug Sprague, Scott Rains, Gary Scherer and Jane Gadzik. Let's keep the spirit of the Buffalo Community going with continued support for the blood drives. Watch for announcements of upcoming drives in the Gazette as well as Buffalo Community face book page and posters around town. We suggest businesses to challenge their employees to donate. We are passing the reins of coordinator to Bev and Ken Heintz who have enthusiastically accepted. The next blood drive will be September 3 from 3-6pm at the Buffalo Community Center. Come check it out. Thank you Buffalo residents for your important and generous support through the years.

Happiness is not on my list of priorities. I just deal with day-to-day things. If I'm happy, I'm happy – and if I'm not, I don't know the difference.

Knowing that you are the person you were put on this earth to be – that's much more important than just being happy.

Our Sincere Sympathy to all the families that have lost loved ones recently.

"Life is full of grief, to exactly the degree we allow ourselves to love other people."

We lost my Aunt Faye on August 6. She was such a Blessing to me. I hope I was to her as well. She will be missed. The two of us singing Karaoke many moons ago. Obit: Edna

"Faye" Carson, 81, of Buffalo, IA, passed away on Tuesday, August 6, 2024. Faye was born January 7, 1943 in Drury, MO, to Richard and Edwina Rogers. On August 29, 1970 she was united in marriage to Bill Carson in Walcott, IA. She was an assembler at Brammer Manufacturing for over 30 years. Faye enjoyed planting flowers, working in the yard, decorating the house, her pets, and spending time with her husband, Bill, of 54 years. Those left to cherish her memory include her husband; sister, Karla Rae Rogers; sister-in-laws, Judy Hainline and Roberta "Kit" Carson. She was preceded in death by her parents; and brother-in-laws, Jack (Janice) Carson, Rusty (Barb) Carson, Dick (Gale) Carson, Don Hainline, and Tom Lisco. Bill would like to thank his sister, Kit, and niece, Chris, for all their love and care.

Buffalo History 101

From the 1905 Scott County Assessors' book:
Buffalo is the principal town in Buffalo township. It is situated on the Mississippi river about ten miles below Davenport, and is on the C.R.I.&P. Ry., whose track is also used by the C.M.&St. P. Ry., giving the town two important trunk lines of railroad. Its population is about 500. **It boasts the finest public school building in the county** outside of Davenport, erected in 1900 at a cost of about \$5,000. Religious organizations are the Methodist Episcopal, Catholic, and Lutheran. A number of coal mines are in operation within a distance of two miles of the village, and timber land is right at hand, making fuel plentiful and cheap. It has one of the largest brick making plants in the county, turning out a superior quality of brick, at which some forty men are employed. It has also four pearl button factories, employing a considerable number of hands; three general stores, a drug store, bakery, meat market, lumber yard, dealer in farm implements, hotel, livery stable, blacksmith shop, wall paper store, boot and shoe shop, two physicians, two general contractors and builders, tow painter and four saloons.

BUFFALO TRIVIA QUESTION OF THE MONTH:

When was the Post Office established in Buffalo?
ANSWER TO LAST MONTH'S QUESTION:

Benjamin Clark, a Black Hawk War veteran who settled in the wilderness what is now Buffalo in 1833, had partners, E.A. Mix and Dr. E. Pillsbury, who were from Buffalo NY. Hence, the town of Buffalo was originally called "New Buffalo" or "West Buffalo". The prefixes had disappeared by the 1850s, and we became "BUFFALO". We were the first town platted in what is now Scott County.

News from ECHO BLUFF RANCH

Buffalo, Iowa

The Fair is over, and boy was it hot! Most people who live near us know about the HUGE trees we recently had cut

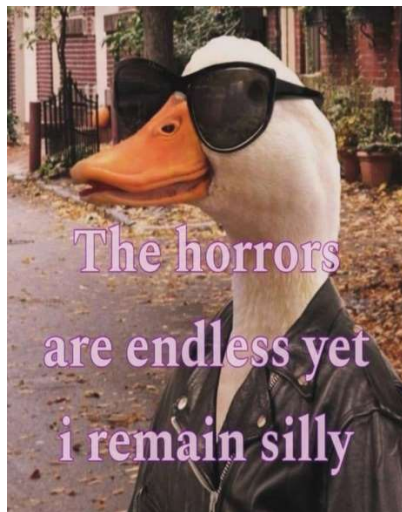

down. They were silver maples that throw millions of helicopter seeds every year, clogging my gutters, and planting saplings in my flower pots. I have cursed these trees for years! Now that they are gone, my hostas are in shock, due to the lack of shade, but they will adjust. I don't regret it one bit. I am hoping to replace the large tree that was out front with a new hybrid redbud tree. It is has beautiful fall-colored foliage all year long, as well as the traditional purple/pink blooms in the spring. I cannot wait for it to be

delivered!
LOOK how BEAUTIFUL!

The Right to Vote

One of the most important rights of American citizens is the franchise—the right to vote. Originally under the Constitution, only white male citizens over the age of 21 were eligible to vote. This shameful injustice has been corrected and voting rights have been extended several times over the course of our history. Today, citizens over the age of 18 cannot be denied the right to vote on the basis of race, religion, sex, disability, or sexual orientation. In every state except North Dakota, citizens must register to vote, and laws regarding the registration process vary by State.

The path to full voting rights for all American citizens was long and often challenging. The franchise was first extended to African Americans under the Fourteenth and Fifteenth Amendments to the Constitution, passed during the Reconstruction period after the Civil War. These amendments provided that all male citizens, regardless of their race, must receive equal treatment under the law and not be deprived of their rights without due process. The Fifteenth Amendment is specifically dedicated to protecting the right of all citizens to vote, regardless of race.

For practical purposes, this was not the end of the voting rights struggle for African Americans. Because of widespread discrimination in many states, including the use of poll taxes, grandfather clauses, and literacy tests, and other more violent means, African Americans were not assured basic voting rights until President Lyndon Baines Johnson signed the Voting Rights Act in 1965. Women were denied the right to vote until 1920, when the Nineteenth Amendment was ratified. Prior to that, women had only been able to vote in select States.

Federal elections occur every two years, on the first Tuesday after the first Monday in November. Every member of the House of Representatives and about one-third of the Senate is up for reelection in any given election year. A presidential election is held every fourth year.

Federal elections are administered by State and local governments, and the specifics of how elections are conducted differ between States. The Constitution and laws of the United States grant States wide latitude in how they administer elections.

Clerk's Corner:

City Council Meeting September 9, 2024 @ 6:00 pm
 Comprehensive Plan Meeting at Community Center August 21, 2024 @ 6:00 pm
 City Hall will be closed on September 2, 2024 in observance of Labor Day.

We would like to thank everyone that came out to the Culpepper & Merriweather Circus. It was a great time!

Our next movie in the park will be August 23, 2024 @ dusk. Minions will be playing. Come out and have dinner or snacks at the concession stand, proceeds going to the Park Board. Bring a blanket or a chair.
 Movie in the Park for September 20, 2024 will be Hocus Pocus. Plan ahead!

Please remember, your yards need to be kept up. That means removing all the junk and mowing your grass before it gets to 10 inches. We can not have weeds and bushes growing over fences into someone else's yard, so please keep those trimmed. Yard stickers can be purchased at City Hall for \$3 each or you can take your lawn clippings and brush cuttings to the Compost Facility at 2707 Railroad Ave in Davenport. Did you know you can not have tree limbs less than 10 feet hanging over the street and less than 8 feet over sidewalks? Those need to be trimmed back too! It's time to get this town cleaned up and that starts with your own personal property!
