Buffalo History 101

Leroy Dodge emigrated to Iowa in 1836, from the State of New York. He was for many years, a pilot on the Mississippi, and then commander of steamboats. Having secured some 400 acres of land along the river and bluff above Buffalo, he built a pleasant cottage on the banks of the river and turned his attention to agriculture, principally to stock-raising, a business in which he was quite successful. In 1852 he represented Scott County in the Legislature. He was an unflinching Democrat.

News from ECHO BLUFF RANCH

Buffalo, Iowa

We've continued to be busy here around the farm!

We've talked about it for years, but finally decided to do it, and boy is it beautiful! We replaced the roof on our old horse barn. It still needs the metal put on, but we love it already!

There is so much more room for hay for our precious animals. It

will be a beautiful Buffalo landmark for years to come.

We LOVE our life on this little farm in Buffalo, Iowa

There were many letters that went out about trees over the street/sidewalks/alleys. If you are not able to take care of the issue before the due date, please make arrangements with city hall to schedule a meeting with the council. If you have other questions, please contact Josh Ferkel @ 563-370-1092.

In the near future, the city will be sending out nuisance letters. This will include tires, scattered wood, junk all over the yard, weeds/bushes growing up/between fences or up the side of the house, weeds in general. Please start working on your yards. If your junk is precious to you, put it somewhere that everyone can't see it and animals won't want to bother with it.

We've only had to mow a few yards this year, so thank you for taking care of them! Things are starting to look a lot better. Just remember to not blow the grass in the street. If you do, please take care of it when you are done.

For anyone putting out lawn bags, they need to have a sticker on them. Those can be bought at city hall for \$3 each. Please make sure the bags are put out early MONDAY morning.

Keep our storm drains clean of all chemicals!

PS Add A "PS" To Help A Neighbor

Project Share is a plan, created by your municipal utility, to assist needy households in paying their wintertime energy bills.

You can help by adding a regular *PS* contribution to your monthly utility payment, or by making a direct donation to Project Share. These funds will then be distributed to neighbors as need for wintertime energy cost.

Those qualifying for help will be carefully identified by an area social service agency. A local committee will oversee Project Share to guarantee all contributions will be handled equitably and efficiently.

So please, add a *PS* — Project Share — to your utility payment each month. It's a simple way to share some warmth with those who need it.
